Partner with us to restore the smile of a woman in need and change her life forever.

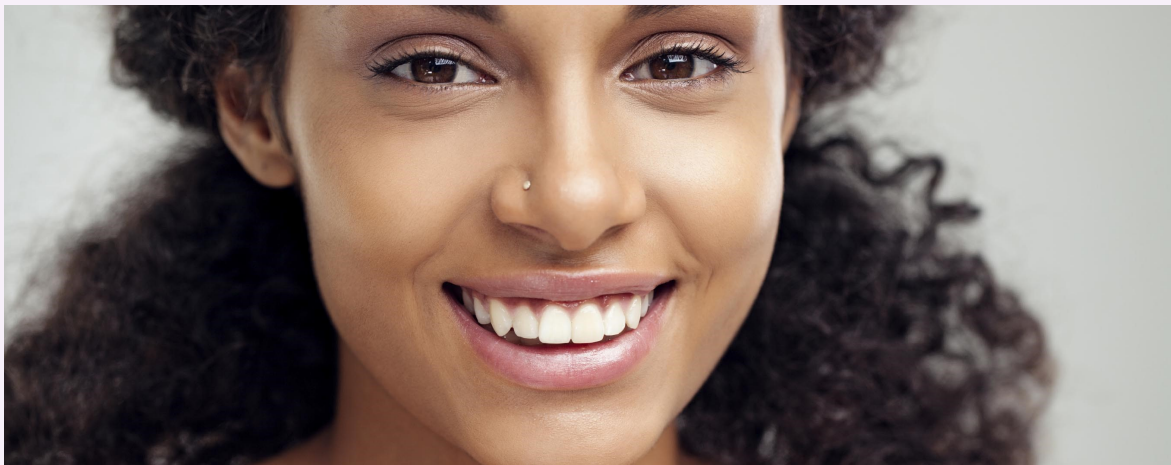

Corporate Giving

The oral health industry faces many unexpected challenges as a result of the Coronavirus. Yet, many organizations are staying connected with providers by lending a hand to benefit local communities or the nation. Smiles for Success offers a unique opportunity to be recognized as a sponsor by a national network of volunteer dentists enabling disadvantaged women to pursue jobs in a competitive market further impacted by Covid-19.

Be Part of the Movement

The Smiles for Success Foundation coordinates comprehensive dental treatment for underprivileged women participating in a community program with a job placement service. A national network of volunteer AAWD dentists care for those who do not have the funds for dental services needed to restore confidence, dignity, and hope for a better future. Become one of the few distinguished companies recognized by our industry as a collaborating partner with AAWD's volunteer women dentists in transforming the lives of less fortunate women through dental care.

Corporate Partnership Program { \$10,000 to \$25,000 }

Our Corporate Partnership Program is customizable to fulfill the needs of our corporate partner's goals. With the help of our Smiles for Success Team create an ala carte plan that fits your needs. Potential benefits include but are not limited to:

- ◆ SFS Foundation Partner Logo to be used on your company websites and marketing materials
- ◆ Annual company profile article in the AAWD *Chronicle Monthly* newsletter
- ◆ Recognition as a Partner in Smiles for Success marketing campaigns to all registered dentists in the nation.
- ◆ Premium recognition at the AAWD Annual Meeting
- ◆ Prominent displayed banner on the Smiles for Success website and AAWD Smiles for Success information web page
- ◆ Quarterly recognition as a preferred partner in e-blasts to our national network of dentists
